Prepare for a Super Week!

Cub Scout Overnight Camp is overnight resident camp for Cub Scouts and Webelos at Bert Adams Scout Camp near Covington, Georgia. This all-inclusive program includes camping in canvas wall tents, healthy meals in the air-conditioned dining hall, and access to modern shower and restroom facilities.

There are four sessions of Summer Camp in 2018. Scouts can attend with their Pack or with their family. If the Pack is not going, come as a family! Lots of Cub Scout families attend Summer Camp on their own.

We are excited this summer to include a camp water bottle and drawstring bag for every youth at Summer Camp! Summer Camp T-shirts this year will be available through the Trading Post.
