Shotgun Shooting MB (1), (6)	<- X ->		<- X ->		<- X ->	
<b>STEM</b>						
Chemistry MB	<-X->		<-X->		<-X->	
Digital Technology MB (8)	<-X->		<-X->		<-X->	
Nuclear Science MB				<-X->		<-X->
Radio MB	<- X ->		<- X ->			
Robotics MB		<-X->		<-X->		
Space Exploration MB		<-X->		<-X->		<-X->
<b>Trade Skills</b>						
Automotive Maintenance MB	<-X->		<-X->		<-X->	
Farm Mechanics MB		<- X ->		<- X ->		<- X ->
Home Repairs MB/Electricity/Painting MB	<- X ->		<- X ->		<- X ->	
Plumbing MB	<- X ->		<- X ->		<- X ->	
Welding MB	<-X->	<-X->	<-X->	<-X->	<-X->	<-X->

**Note from the Program Director:**

Unit leaders please remember the winter camp experience is a unique one, please try to not overschedule your scouts for every single minute of the day. Life is full of choices and having gaps of time in their day is important, by doing this we allow our scouts to embrace choice and by not doing every single thing at camp it will help them with wanting to coming back to camp year after year. Winter camp is not academics in school, the more they enjoy their experiences at camp the more likely they are to return and encourage others to attend camp as well. A SCOUT is flexible and finds solutions let us model that behavior together during our time at camp!

All merit badges at Bert Adams Scout Camp are subject to be partially completed. All contingency plans for any merit badge are done on a case by case basis with the review of the program director and the requirements in question. Under no circumstance will any requirement be changed because of circumstances out of camps control. A partial will be issued if requirements can not be met during the winter camp session.

## NOTES

**Important Note: All classes are held daily (Wed. - Fri.) at the time period listed, unless otherwise noted.**

- 1 This merit badge may require additional afternoon field work or skills practice.
- 2 Fishing merit badge participants can provide their own fishing pole and tackle. Camp will have some gear to loan for the merit badge.
- 3 This merit badge, or activity, may have an associated cost. Please refer to the Merit Badge Requirements for details as a kit may need to be purchased.
- 4 This merit badge requires either a digital camera with video or a cellular device in order to complete at camp.
- 5 Binoculars are recommended to help assist with this merit badge.
- 6 Physically demanding merit badge recommended age is 13.
- 7 Scouts will be more successful if they bring their own bike, a limited number of bikes will be available for loan during the week.
- 8 Scouts must show proof of cyber chip completion to get that requirement completed at camp. If no documentation provided by scout or leader will result in a partial.
- 9 Scouts taking this merit badge will need to bring some additional supplies to their overnight event. Please bring sleeping bag, flashlight, water bottle, and a ground cloth. If scouts do not participate in the overnight experience the merit badge will result in a partial.
