# *The Scouting Experience*

Scouting was created in 1907 when Lord Robert Baden-Powell created the first Scout camp on Brownsea Island. Every year since, Scouts gather for a week each summer in some of the world's most beautiful places. From the very start leaders have said, "You can't take the outing out of Scouting". And the same remains true today.

There is something intangible that appeals to young men about packing up their gear and going camping for a week. Days and nights in the woods to experience the meadows, the lakes, and the streams; it is truly an adventure! And, an adventure that no Pack can duplicate on their own. Plus, consider the wide variety of programs, air-conditioned dining hall, trading post, swimming pool, and many more facilities at Bert Adams to serve your Scouts.

## **An Accredited Camp**

Bert Adams Scout Camp is accredited each summer as part of the National Camp Accreditation Program. This means that the camp has met strict guidelines in safety, and programming. We are prepared for emergencies and understand that and Scouters are trusted in our care.

health,  
Scouts

## **Camp Program**

To us, program is more than adventure loops and activities. It is also specialty programs and camp wide games. It includes flag ceremonies and campfires. It's the songs and the cheers. We believe that program is everything you experience; from the time you step out of your car until you are headed back home. We believe we are prepared to deliver one of America's best camp programs. We know that every Pack is different and approaches adventure loop work in its own way. We have developed a curriculum that has a wide variety and are looking forward to helping you plan the program that is best for you.

## **The Staff**

Our staff hiring, and training is a 10-month process, starting the day camp closes the previous year. We hire the best candidates for each position and complete a 10-day training program before we see any Scouts! We are highly motivated and truly dedicated, and we are here to serve you.

## **Food**

Our meals are planned and prepared by foodservice professionals. You will enjoy well-balanced meals and we always offer additional food to what is served. You'll enjoy salad bars, cereal, and seconds! We will take care of special dietary needs due to allergies. Please advise of those requirements in advance on our online registration system.

## **Land of Adventure!**

Scouts started coming to Bert Adams in 1927, and we have grown into the South's premier Scouting destination. It's always a great day in Scouting at Bert Adams, where every day's a holiday, and every meal's a feast...Thank you Lord Baden-Powell!

# Resident & Specialty Camp Program

# Camp Rules

As a Scouting facility, the foremost rules for personal and group behavior are the ideals found in Scouting:

<p style="text-align: center;"><b>SCOUT OATH</b></p> <p style="text-align: center;">On my honor, I will do my best To do my duty to God and my country, And to obey the Scout Law; To help other people at all times; To keep myself physically strong, mentally awake, and morally straight.</p>	<p style="text-align: center;"><b>SCOUT LAW</b></p> <p style="text-align: center;">A Scout is Trustworthy, Loyal, Helpful, Friendly Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean, and Reverent.</p> <hr/> <p style="text-align: center;"><b>OUTDOOR CODE</b></p> <p style="text-align: center;">As an American, I will do my best to Be clean in my outdoor manners, Be careful with fire, Be considerate in the outdoors, and Be conservation minded.</p>
---	--

Beyond these ideals, the following rules are enforced at the Bert Adams Scout Reservation:

- Packs must have two-deep leadership at all times while at camp. No exceptions!
- All campers shall wear a wristband to identify themselves.
- All cars must be parked in the designated camp parking areas. Only specially authorized vehicles are allowed in campsites or on the roads.
- Shoes must be worn at all times at camp. Shoes must be completely closed. Sandals are allowed only at the showers and in the aquatics areas.
- Throwing rocks is strictly forbidden.
- No running in camp. We ask adult and youth leaders to help keep camp safe.
- All bike riders must wear helmets.
- Walk bikes across bridges and do not ride bikes at night.
- No flames, fires, or fuels of any kind are permitted inside tents.
- No personal skateboards, inline skates, or mountain boards are permitted.
- Personal firearms and bows are not permitted.
- No alcoholic beverages or illegal substances are allowed on camp property.
- All guests are required to immediately check-in at the camp office.
- No fireworks of any kind are permitted on camp property.

## Youth Protection Guidelines

- Two-Deep Leadership: Two registered adult leaders or one registered adult leader and a parent of a participant Scout, one of whom must be 21 years of age or older, are required on trips and outings. The chartered organization is responsible for ensuring that sufficient leadership is provided for all activities.
- No One-on-One Contact: One-on-one contact between adults and youth members is not permitted. In situations that require a personal conference, such as a Scoutmaster conference, the meeting is to be conducted in view of the other adults and youth.
- Respect of Privacy: Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp and intrude only to the extent that health and safety requires. Adults must protect their own privacy in similar situations.
- Separate Accommodations: When camping, no youth is permitted to sleep in the tent of an adult other than his own parent or guardian. Camp has separate shower and latrine facilities for females, or if separate facilities are not available, times for male and female use are scheduled and posted.

### **Adult Leader Meetings**

An orientation meeting will be held on the first evening of camp. Special announcements concerning the camp, its policies and procedures, or any specific needs or questions about the camp operation will be answered at this meeting. It is important that every Pack is represented.

Camp announcements are made at the Flag Ceremonies each morning and evening. A Scout Leader meeting will also be held each day after breakfast; these is the primary method of communication to Packs during camp.

### **Transportation**

Each Pack is responsible for safe transportation to and from camp and must meet the insurance requirements of the Boy Scouts of America found on the appropriate tour plan. Members of the Boy Scouts of America may not be transported at any time in the back of pickup trucks; members must wear seat belts at all times.

### **Speed Limits**

The camp wide maximum speed limit is 12 mph; we suggest 3 mph when campers are present. Speed limits include bicycles.

### **Vehicles in Camp**

All vehicles parked on camp property must display a camp vehicle registration card that will allow camp management to contact the owner/operator in the event of an emergency or other need. These registration cards will be issued at check-in. If an improperly parked vehicle interferes with the safe operation of camp, the owner will be notified. If the situation is not resolved in a reasonable time, the vehicle will be towed at the owner's risk and expense.

Vehicles are not allowed in campsites. Any exceptions must be authorized by the Camp Director. Parking is available in one of the approved parking lots. Scouts, adult leaders, and visitors are expected to park, walk, bike, exercise, and enjoy the beauty of our camp.

### **Identification**

Each camper, adult leader, and visitor must wear camp issued identification (wristband). Camp visitors will be issued identification bands when they arrive at camp. Staff will be identified by their uniform and staff credentials.

### **Leaving During Camp**

There is a specific procedure that must be followed for Scout Early Release from Camp. Please see the Camp Office for more information.

### **Mail Service**

Mail service to camp generally takes 2-5 days. Be sure to register and insure all packages. Mail will be distributed via Pack mailboxes at the Camp Office.

#### **EMAIL**

[BertAdams@live.com](mailto:BertAdams@live.com)  
"Scout's Name"-Bert Adams, Pack# in Subject Line  
Do not send pictures or files.

### **Phone Messages**

Messages will be placed in the Pack's mailbox. Emergency calls will be hand-delivered to the Pack's campsite. The camp's phone number is 770-385-1565. Note that there is not anyone at this number until the first week of camp.

### **Litter**

"A Scout is Clean". Trash must be taken to a dumpster. Please pick up any litter you see.

### **Pets**

All pets are to be left at home. Pets of any type are not permitted; including those brought by parents or visitors. Registered service animals are the only animals allowed; please make a note about assistance animals when registering the individual on the program website. Please make sure to inform your Friday night visitors about this policy!

### **Chemical Fuels Policy**

For safety, knowledgeable adult supervision must be present when Scouts are involved in the use, handling, lighting, or storage of chemical fuels (liquids, jellies, or gas). Propane lanterns and stoves are allowed. All fuels must be stored in a locked container. No liquid fueled lanterns should be used in camping activities. No fuel, lanterns, stoves, or candles are to be used in or near tents and camp structures.

### **Uniform**

The BSA field uniform is worn for evening flag ceremonies, dinner, chapel, and campfires. Field uniform must always be worn with shirts buttoned up and tucked in. Pack approved activity uniforms are appropriate for the remainder of the day.

### **Pack Photo**

You are encouraged to wear a complete field uniform to camp. Pack photos are generally taken during arrival. They are delivered via email as a photo file or available to be loaded onto a flash drive if you provide one.

### **Lost and Found**

Lost and found items will be turned in at the camp office. Leaders should encourage Scouts to mark their belongings with name and Pack number. Lost and found items will be kept for 1 week after collected, then donated to a local charity.

### **Smoking**

The Bert Adams Scout Camp is a tobacco-free facility. Adults with tobacco habits may only use tobacco in the secluded area fenced behind the dining hall. This includes the use of vapor e-cigarettes, cigars, or chewing tobacco. Use of tobacco in any other area will result in dismissal from the camp property.

### **Damage to Camp Facilities**

We are very proud of our camps and our equipment. We will be performing an inspection of the canvas as part of your check in procedures as well as an inspection prior to your departure. If you or your Scouts damage any equipment issued to your Unit you will be expected to pay for damages.

### **Flammability Warning**

No tent material is completely fireproof. Tent material can burn when exposed to continued, intense heat or fire. The most important safeguard is to keep flames away from canvas materials. For this reason, the following safety precautions must be adhered to: Only flashlights and electric lanterns are permitted in tents.

## **BICYCLES ARE ENCOURAGED AT BERT ADAMS**

We encourage all Scouts and leaders to bring a bike to Bert Adams this summer. It makes it easier to get around camp and we will have special biking activities set up. While you should bring a bike in good condition, we will operate a special Bike Repair Shop in the Field Sports area to assist you with any issues you may have with your equipment while you are at Camp. The Trading Post has supplies to fix tires, brakes, and helmets.

### **Bike Rules**

Bikes are permitted for use by adults and Scouts during summer camp. Our Camp Rules are:

- **Everyone must wear a helmet at all times**
- Bikes may not be ridden on stairs or in structures.
- Bikes must be walked across all bridges, sidewalks, in campsites, and in high-traffic areas.
- Bikes should be checked for safety by Unit leaders.

### **Fishing**

The fish are biting at Bert Adams. Bring your fishing poles and tackle to have some fun. We do enforce a catch and release policy.

### **SWIM TESTS**

All Scouts and leaders attending camp must take a BSA swim test. This test must be re-taken by all at least every 12 months, or when attending camp.

**IMPORTANT INFORMATION!!!** You can complete your own swim test before coming to camp! This will save you a lot of time at check-in. Packs that have already completed their swim tests before camp should present a copy of the results at check-in and will be certified by the Aquatics Director. Those Packs will receive their buddy tags at this time. The aquatics staff reserves the right to re-test any person in their swimming ability while at camp. **Completing your tests before camp will streamline your check-in! The form required is posted on our website.**

Any Scouts or leaders that didn't do an early swim test can do so at camp. As soon as your camp guide leads you to your campsite, your group should be prepared to take the swim test. Upon arrival at the waterfront your group will be issued buddy tags for everyone that has submitted a health form.

## Dining Hall Operations

### **Meal Times:**

Breakfast-7:30am

Lunch-12:30pm

Dinner-6:00pm

The dining hall is open each day from 6:30am to 9:00pm for access to the restrooms and coffee.

Each campsite will be assigned tables during the camp tour on the day of their arrival. One waiter is needed for every 8 people. Waiters need to report to the dining hall 15 minutes prior to the meal. Leaders are asked to help supervise the waiters.

### **Responsibilities of Waiters:**

Table Waiters set each place setting with a napkin and silverware. Waiters also fill pitchers and set out any meal items. They also assist with the clean-up of the dining hall, restrooms, and serving hallway. After the meal, waiters must do the following:

1. Wipe off tables.
2. Sweep underneath tables and mop as necessary.
3. Be inspected and released by the Dining Hall Steward

### **Plates and Utensils:**

The plastic plates, glasses, and metal utensils are to be placed in their appropriate dirty location.

### **Hand washing:**

Hand washing stations are placed outside at each serving entrance to the dining hall. Adult leaders should coach their Scouts to wash their hands at these stations before they enter the dining hall.

### **Seconds & Extra Food:**

Seconds will be offered to all campers. At all meals peanut butter and jelly sandwiches, fruit, and other items are available for any hungry campers. Take what you want but eat what you take.

### **Special Diets:**

Our healthy, delicious meals include a vegetarian and gluten free options. We are also sensitive to meet the needs of the 8 major allergens. We ask that you provide all allergy related and special dietary needs in the online registration system. This will allow us to prepare in advance for your dietary needs.

We meet typical dietary needs but cannot create individual meals for campers with special life style diets or just picky eaters. If you have more specific needs, please review the menu to determine what items you will need to bring to supplement the menu; our menu will be available on web page by May 1.

### **Trading Post**

Our trading post is exceptionally well-stocked to serve you. We have camp supplies, crafts, souvenirs, toiletries, and even uniforms. Don't leave camp without your t-shirt or cap. Plus, the trading post has your snacks, drinks, and ice cream. The trading post accepts cash, checks, and credit cards. Based on last year, we recommend that Scouts bring \$30.

### **Family Night**

Family Night is on the last night of Camp. Families are invited to camp to experience some of the camp atmosphere, observe activities, stay for dinner, and be a part of our Closing Campfire. Family members may arrive any time after lunch and must check-in at the camp office. Meal tickets are \$6 each for visitors.

# Program Information

Our curriculum has been developed through a unique collaboration of Cubmasters, summer camp staff, and our council’s camping and advancement committees. We are proud of the variety of programs we can offer, and with the highest quality found in Scouting!

Summer camp is primarily about fun! Too often, parents of younger Scouts create an aggressive class schedule focused on advancement. Our activities will mix advancement with Fun. Remember that some activities may be just so the Scouts have FUN!!!!

Occasionally, we may offer additional courses, when skilled instruction is available. If any of your leaders are able to instruct a unique course to completion, please let us know!

## Program Departments

In 2019, we will be offering unique Wolf, Bear and Webelos Programs that help the Scouts in their Rank Adventures in the following Departments:

Program Area	Wolf	Bear	Webelos
Aquatics			
Field Sports			
Life Skills			
Nature & Ecology			
Handicraft			
Outdoor Skills			
STEM			

Some of these will cover some requirements from a variety of different Rank Adventures or Electives. Each will be a unique age appropriate camp experience for the Scout to enjoy.

For Lions & Tigers we will have a custom-made Lion/Tiger Track that also will also utilize the Program areas to give the new Scouts a good sampling of Camp as well as a start on some of their Program requirements.

For the Specialty Overnight Sessions we will be offering advanced skill opportunities for the theme of the session. The activities will be age appropriate but will provide an opportunity for greater technical skill development for the Scout. Limited offerings will be made in other Program Areas during Specialty Sessions but we guarantee you will still have a chance to get wet, have fun, and advance in rank.

### **Online Class Scheduling**

You will register for all activities, including Outback Adventure, using our online class scheduling module in the registration system in May. The Session offerings will be posted on the Bert Adams Website in April. Siblings that are not registered members of Cub Scouts do not need to register for classes.

It is very important that you prepare in advance for your class scheduling. The online module is a “real-time” system, and you will get the most out of it by completing your Pack’s entire schedule at one time. Be sure to have a program session at a meeting to discuss the available classes, then have them decide on a schedule based on their interests and advancement needs. **All Scouts of the same rank do not have to be enrolled in the same class schedule, but you must provide some supervision.** Sending a Cub Scout to a class on his own may be more than many can handle. Many classes will fill up quickly, so it is important to complete your class scheduling as early and completely as possible. We will have a waitlist, but in some cases we may not be able to accommodate larger classes.

Class scheduling begins on May 15, 2019 at 9:00AM for those who have completed their May 1 payment (early payment does not receive early registration privileges before May 15).

### **Camp Preparation Instructions**

October/November 2018: Begin your fundraising, popcorn sales, and program planning for summer camp.

February 2019: Collect and make your deposit for Scout fees. This is \$15 per Scout.

April 2019: Collect and make your additional \$45 Scout payment. This payment is due no later than May 1, 2019. This payment is required to maintain your reservation. Set aside at least one meeting to review summer camp programs and to have Scouts discuss their desired class schedule. Use the Schedule Worksheet to help collect Scout’s selections.

May 15, 2019: Use the online class scheduling module in the registration system to register Scouts in classes. Be aware that courses are first-come, first-served, and our online module is “real-time”. Class capacities are rarely expanded, so register early! Print your Pack’s schedule from the online scheduling module. This is your confirmation; please bring a copy to camp with you. Review each Den’s schedule with them and be sure to check online for open spots in classes and to make last minute scheduling changes.

June 2019: Finalize preparations for class scheduling. Collect and make your final payment of fees (balance of all fees) due June 15, 2019.

Arrival at Camp: You will be able to make final changes to your class schedules until a week before your arrival at camp.

*CLASS SCHEDULING ALTERNATIVE:* For any leaders who are not confident in their online skills, you may mail, fax, or email your class schedules to the Program Center for registration. This may be done any time after May 1, 2019. You will receive a confirmation of your class schedule within a week of its arrival in our office. Class schedules can be sent to:

## Arrow of Light - Outback Adventure

---

The Outback Adventure program has been designed to give Arrow of Lights Scouts the greatest opportunity to learn basic Scouts BSA skills and stay excited about Scouting. This program requires some independence and maturity. Scouts are divided into patrols and taught the Patrol Method by our Bert Adams Camp Staff. Outback Adventure is \$10 per Scout to cover the additional costs of the program.

This program is being offered on the Weekend Resident Programs only.

The Outback Adventure includes the following elements:

Canoeing - Scouts will canoe across Bert Adams Lake from Camp Gorman to Camp Jamison as their first activity. In order to participate in the canoeing, Scouts must have passed the BSA swim test; a hike to Camp Jamison will be conducted for those that cannot canoe. Scouts return to Camp Gorman on the second morning of camp by canoe.

Outdoor Skills - Saturday will be spent in Camp Jamison learning basic outdoor skills with an Australian Outback theme. These activities will include:

- The Patrol Method through Team Building Games
- Knot Tying
- Fire-building
- Survival Skills
- Outdoor cooking (Scouts will prepare a breakfast, lunch, and dinner while in Camp Jamison)
- Tent care and set-up
- Wood Yard
- Orienteering
- Leave No Trace etiquette
- Other Basic Scouting skills

Advancement - Scouts will work on requirements towards Cast Iron Chef, First Responder, Webelos Walkabout, Scouting Adventure, Castaways, Outdoorsman, and Aquanaut.

Campfire - A special Outback campfire program is held at night in Camp Jamison.

Rappelling - After returning to Camp Gorman on Sunday participants will complete a 30' rappel.

Free Swim - The Outback Adventure ends with a free swim in the lake on the Obstacle Course.

### **What to Bring Special for Outback Adventure:**

Pack the following items in a separate backpack or duffel bag:

- Change of clothes for 1 day
- Minimal toiletries (toothbrush, toothpaste, bar of soap, and a SMALL towel)
- Tent and ground cloth (no more than 2-3 Scouts per tent))
- Sleeping bag and SMALL pillow
- Rain gear
- Insect repellent
- Sunscreen

***Be Sure to Bring a Water Bottle to Camp. DO NOT bring any electronics or phones.***

***Parents and Leaders are not required to camp in the Outback. Adult Training and Free Time will be provided to Adults while the AOL Scouts are in the Outback.***

## *Pack and Den Activities at Camp*

---

### **Aquatic Activities**

There will be ample opportunities to get wet at camp as a Pack or as a Den. We will have free swims in the pool and on the Mega Slip and Slide every afternoon.

### **Mountain Biking**

As biking is a way of life at Bert Adams, take to the trails on your bikes and enjoy our Mountain Biking trail as a Den Activity. The buddy system is a must on this as well as the use of helmets. Details will be available from the bike shop in Field Sports.

### **Slack Lining**

Try your skill at this fun and challenging activity. Slack-lining is a practice in balance that uses nylon webbing tensioned between two anchor points.

### **Mega Slip & Slide**

Here is an opportunity for fun and to get wet. Come with a buddy and enjoy our Mega Slip and Slide.

### **Gaga**

A fantastic and hugely popular game in which everyone can play. It is an Israeli version of dodge ball played in an octagonal pit. Participants try to hit other competitors below the knee with a large rubber ball. If you are hit, you are out; last Gaga player standing wins.

### **Human Foosball**

If you have played the game Foosball before, this will be a cinch as the Scouts become the Soccer players in the new Human Foosball Court in Field Sports.

### **Field Sports Games**

Many of the field sports activities will provide the venue for either inter Den or inter Pack competition. Whether it is on the volleyball courts, flag football, ultimate Frisbee, or in the Gaga Pits there is the opportunity for you to have fun competition.

### **Bouldering**

One options for Scouts is the "Bouldering" class. This is a self-led program by leaders of the pack. In order to participate, leaders must be trained on the second night (Monday or Thursday) during the Bouldering Facilitators training.

### **Pack Night**

Saturday and Wednesday nights are your chance to hold a Pack campfire in your campsite. Or, just spend some one-on-one time with your Scouts.

Two times during the week you will gather in the Camp's Amphitheater for fellowship and fun around the campfire!

### **Opening Campfire**

**FIRST NIGHT:** Get your week kicked off with excitement as the staff celebrates another week at Bert Adams! The campfire will feature the songs, skits, and storytelling that Bert Adams Scout Camp is known by. Come experience the history and enthusiasm!

### **Closing Family Night Campfire**

**FINAL NIGHT:** As the final time that Camp gathers for the week, the staff will recognize the outstanding efforts by packs and individuals. Packs and Dens will also have the chance to make presentations to those who made a difference or present a song, skit, or cheer. Camp will close with an inspirational ceremony.

## **Adult Programs**

---

The fun and adventure at camp isn't just for Scouts! We have an exciting program planned for the adults who spend the week with us too. After all you are here on vacation. Here are some of the activities that will be available. At Sunday's adult orientation we will have the full schedule.

### **Adult Leader Lounge**

We are proud to offer the Ashley Leaders building as a place for adults to relax or play a game of cards and one of our board games. Be sure to bring your laptop or iPad! We will have a coffee pot brewing and the Wi-Fi is available for your use to get online to check email or to take online Training.

### **Adult Leader Training**

We are proud to offer the following training sessions during the camp week:

Bouldering Training – This is a hands-on training that certifies you to lead activities on our Bouldering Wall.

Basic Scout Leader Training – Take the indoor Scout BSA Leader training to prepare for your next level as a Scout BSA leader.

Cub Scout Leader Training – Get officially trained as a Cub Scout Leader. Whether you are a Cubmaster, Committee Chair, Den Leader or just a Parent that wants to help.

Webelos to Scout Transition – Are you going into the AOL year? How are you preparing for finding a Troop and continuing on the Scouting trail into the Scouts BSA program? This session will help you see what is ahead of you.

### **Cell Phone Service/Charging**

Bert Adams has an AT&T Cell tower in Camp and as a result we have excellent service for AT&T customers. Verizon also gets a strong signal as well. Other carriers are decidedly a weaker service. Charging for Cell Phones is best done in the Ashley Leaders building where there is sufficient capacity.

### **Wi-Fi Service/Internet Access**

We have expanded our free internet options at both the Ashley Leaders Center and the Love Dining Hall. We have access to greater speed and bandwidth in both locations. Additionally, with the strong Cellular signal, it is possible most anywhere in Camp to create your own mobile Hot Spot.
