Prepared. For Life™

BLAST OFF INTO SPACE!

Spring Family Camping is a fun weekend full of fishing, shooting sports, STEM activities, bouldering and much more for Cub Scouts and their families! Come for the weekend or even just the day.

Scouts and their families will get to see items from NASA! Each Cub Scout will be able to participate in different rocket activities including air rockets, water rockets and engine rockets. Activities on Saturday will include a camp-wide flag ceremony, nature show and you won’t want to miss our campfire at our lake front amphitheater Saturday night.

Your family can cook your own meals at your campsite or eat in our air-conditioned dining hall, the choice is yours! Price includes activities and patches. You can purchase engine rockets in the Trading Post to be launched at the launch pad.
