GREETINGS FROM THE CAMP DIRECTOR

Dear JROTC Summer Camp Leader,

On behalf of the entire Bert Adams Summer Camp Staff, I want to welcome you to Bert Adams Scout Camp. Our goals at Summer Camp include providing a week of program opportunities focused on achieving your objectives to:

- Develop Leadership Skills
- Build Citizenship and Character
- Learn to live and work together in group settings
- Build esteem and self-discipline
- Develop new skills, including options like first aid, marksmanship, orienteering and outdoor survival skills
- And most of all having a fun filled, safe week!

At Bert Adams, you will find a friendly atmosphere, where we take seriously the needs and successes of every Youth participant. We've worked hard to assemble a staff of adults and older Scouts who are trained in Scout skills, teaching methods, first aid and are good leaders as well. They love working with your Venturing Scouts and are the kind of Staffers your Venturing Scouts can look to as role models. The staff has been working hard to build a program that not only meets your summer camp expectations, but also provides some unique experiences that the youth participants will not forget.

In this Leaders' Guide, you'll find the information you need to register and prepare for your NJROTC session.

In addition, please feel free to contact me or the other members of our core management team if we can answer questions or support you in other ways as you prepare for Leadership Adventure Camp.

Primary Liaisons:

- Veronica Bramlett, Camp Registrar: Veronica.Bramlett@Scouting.org , 770-956-5687
- Tom Morin, Camp Director: tommorin1776@gmail.com

We hope your unit will come ready to join in the fun! Your participants may want to plan for a song, skit, or some other contribution to our closing campfire.

If there is anything that we as a staff can do to make your stay pleasant and enjoyable please let us know. We look forward to seeing you at Bert Adams in July!

Yours in Scouting,

Tom Morin, Camp Director

A CLASSIC CAMP FOR ALL SCOUTS

Scouts of all ages and experience can enjoy an outstanding summer camp program at Bert Adams Scout Camp (BASC). BASC offers a traditional camp program and is a nationally accredited camp by the Boy Scouts of America. We're excited about the program we will offer to you this summer at Bert Adams!

FACILITIES

BASC is a classic Scout camp designed to support the delivery of a quality program. Covering 1,200 acres of the Georgia piedmont region, BASC has large meadows, wooded hills, back country forest, creeks and Lake Campbell. Abundant wildlife includes deer, wild turkey, raccoons, opossums, crow, tree frogs, and red-tailed hawks. The lake has many species of fish including bream, crappie and bass. Two full-time rangers work year round to maintain the camp. If you haven't visited us in a while, you'll notice the many facility improvements made over the past several years. New facilities include Langford Nature Lodge, COPE Course, Swimming Pool, Love Dining Hall, Fort Brumley, and 10 Adventure Camp Campsites including shower facilities.

Program Director Austin Hegwood

Camp Commissioner Brin Bowers

Camp Emergency Phone (Program Office)

The following phone number is for emergency contact only, after hours this phone goes to a recording that will be checked the next morning: (770) 385-1565. The afterhours emergency phone will be shared closer to camp. We are currently updating.

Camp Mail Information (During Camp)

Your scouts may receive mail at the following address during summer camp:

Bert Adams Scout Camp

Participant Name, NJROTC Camp
218 Scout Road
Covington, GA 30016

ATLANTA AREA COUNCIL
BOY SCOUTS OF AMERICA.

FEES

Cost for the JROTC Adventure Camp week is **\$215 per cadet**. The fee includes all meals, program supplies, social activities, and staff support. The fee also includes two camp t-shirts for each participant. T-shirt sizes must be provided during the final registration process. The first two adults from each school attend at no cost. Additional adults are \$50. Note, t-shirts for adults are not included in this fee.

Registration and fee payments should be made as follows:

Register at <https://www.campbertadams.org/event/3938/14751/NJROTC-Camp---2019>

- Please log in using the school account provided to you.
 - A \$50 deposit per school is due at signup. This deposit is credited to your total camp fees.
 - You may log back into the system at any time to change your numbers, add individual names, order additional t-shirts or process a payment.
-
- All fees are due by June 15, 2019.
 - T-shirts – All youth cadets will receive two t-shirts included in their registration. Additional t-shirts may be ordered for \$12.00 by June 15, 2019 through the online registration system.
 - If you would like to pay via check. Please include a copy of your invoice and send to:

Atlanta Area Council – Camp
1800 Circle 75 Parkway SE
Atlanta, GA 30339
 - A School Participation Fee of \$60.00 for each school should be made payable to Duluth High School and forwarded to Captain Roger by May 15, 2019. These funds will be used to purchase awards and other expenses.

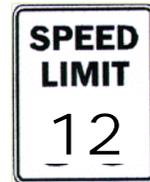

Participating cadets, instructors, and chaperones must be registered with the Boy Scouts of America.

Individuals not already registered with the BSA will need to register with Venturing Crew 251 (Duluth HS NJROTC). All adults need to submit a copy of their completed BSA Youth Protection training certificate and a background authorization form (included with the BSA application). Please submit your completed application and registration fee of \$16.50 by May 15th to Captain Roger at Duluth High School:

Duluth High School
3737 Brock Rd NW
Duluth, GA 30096

For assistance please contact: Veronica Bramlett; BertAdams@atlantabsa.org or 770-956-5687.

POLICIES

General Policies

These general rules are for the safety of all campers:

- **JROTC Units must have two-deep leadership at all times while at camp. No exceptions!**
- All cars must be parked in the designated camp parking areas. Only authorized vehicles are allowed in campsites or on the roads.
- Shoes must be worn at all times at camp. Shoes must not be open at the toe or sides. Sandals are allowed only at the showers, and the waterfront areas. “Croc” type shoes are not allowed
- Throwing rocks is strictly forbidden.
- No running in campsites. We ask adult and youth leaders to help keep camp safe.
- All bike riders must wear helmets.
- No flames, fires, or fuels of any kind are permitted inside tents.
- No skateboards, inline skates, or personal mountain boards are permitted.
- Personal firearms and bows are not permitted.
- No alcoholic beverages or illegal substances are allowed on camp property.
- **No underage (younger than High School age) youth are allowed in camp.**
- All guests are required to immediately check-in at the Camp Program Office.
- No fireworks of any kind are permitted on camp property.
- Refer to the Boy Scouts of America *Guide to Safe Scouting* for additional policies.

PETS ARE NOT ALLOWED!

No pets are allowed in camp at any time except those aiding the disabled. Please make a note about assistance animals when registering the individual on the Program website so that we can plan accordingly.

YOUTH PROTECTION GUIDELINES

The following policies have been adopted to provide additional security for youth in the program. In addition, they serve to protect adult leadership from situations in which they are vulnerable to allegations of abuse. All adult leaders on any Boy Scout outing must have previously taken a Youth Protection class within the last two years.

TWO-DEEP LEADERSHIP

- Two registered adult leaders whom must be 21 years of age or older, are required on all trips and outings. The chartered organization is responsible for ensuring that sufficient leadership is provided for all activities.

NO ONE-ON-ONE CONTACT

- One-on-one contact between adults and youth members is not permitted. In situations that require a personal conference, such as a Scoutmaster conference, the meeting is to be conducted in view of the other adults and youth.

RESPECT OF PRIVACY

- Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp and intrude only to the extent that health and safety requires. Adults must protect their own privacy in similar situations.

SEPARATE ACCOMMODATIONS

- When camping, no youth is permitted to sleep in the tent of an adult other than his own parent or guardian. Camp has separate shower and latrine facilities for females.

Identification

Each camper, adult leader and visitor must wear camp issued identification (wristband). **Camp visitors will be issued identification bands when they arrive at camp.**

No Vehicular Traffic In Camp – Except For Move-In And Move-Out

The camp wide maximum speed limit is 12 mph; we suggest 5 mph when campers are present.

Vehicle Identification/Improperly Parked Vehicles

All vehicles parked on camp property must display a camp vehicle registration card that will allow camp management to contact the owner/operator in the event of an emergency or other need. These registration cards will be issued at check in.

Note: If an improperly parked vehicle interferes with the safe operation of camp, camp management reserves the right to have the vehicle towed at the owner's risk and expense, without prior notice.

Prohibited vehicles/Items

Bert Adams restricts the use, or does not allow the following vehicles/items in camp.

- Motorized: Golf Cars / Carts, ATVs and any other motorized vehicles.
- We do not allow the use of RVs, campers or any watercraft.
- No riding is permitted in the cargo areas of trucks or cars (Georgia State Law and BSA Policy). Passengers may ride in designated seats with seat belts only.

Discipline And Adult Supervision

The role of the camp staff is to provide the summer camp program and all of the other camp infrastructure needed to ensure a safe and enjoyable stay at camp. As with any unit outing, the adult leadership of each unit is responsible for the behavior of their Scouts. Please help the staff focus on program by watching your students and being available to deal with discipline issues should they develop.

DRUG, ALCOHOL, AND TOBACCO USE AND ABUSE

The Boy Scouts of America prohibits the use of alcoholic beverages and controlled substances at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members.

Adult leaders should support the attitude that young adults are better off without tobacco and may not allow the use of tobacco and/or vaping/e-cigarette products at any BSA activity involving youth participants. All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants. (Ref.: From the Guide to Safe Scouting)

Early Release From Camp

There is a specific procedure that must be followed for Early Release from Camp. The Unit Leader, cadet, and adult picking up the cadet must report to the Camp Office while it is open or the Health Lodge after hours to complete the form.

HEALTH AND SAFETY

MEDICAL INFORMATION

The medical examination is of utmost importance to the safety of Scouts and Scout leaders while at camp. Three very important sections of the medical form are:

1. The Family Doctor

They know if a Scout should have restrictions or prescribed medication while at camp.

2. The Family History

The parents must complete this section in the event a camper is injured or becomes ill during camp.

3. In Case of A Medical Emergency

This medical form should be specific about whom to contact, where they can be contacted, and include accurate business, cell and home telephone numbers.

Health Lodge

The Health Lodge has several qualified Health Officers and the medical equipment to handle all minor injuries, scrapes, bruises, etc. Any person with a serious injury or severe illness will be taken to the emergency room of the local hospital. The camp has made prior arrangements for handling emergencies.

ANNUAL HEALTH AND MEDICAL RECORD – REQUIRED

Annual Health and Medical Records are required for all campers and leaders and **MUST** be signed by a licensed physician. Parts A, B and C must be completed. Health forms should provide specific instructions regarding emergency contacts that can be reached, where and at what time. This is very important.

Important Note: Anyone who does not have a current and properly signed Annual Health and Medical Record will not be permitted to remain at camp.

Forms are available on <https://www.campbertadams.org/>

TRIPS TO THE HOSPITAL OR DOCTOR

Campers requiring the attention of a doctor or the services of a hospital should know the following information. **It is the responsibility of the unit leadership to provide transportation for the unit member(s) requiring attention from a doctor or a hospital.** One adult leader from the unit, and one additional adult leader, will accompany the unit member(s) requiring services and is asked to carry insurance forms in for completion. He/she must obtain the Scout's health and medical form from the Health Lodge before going to the doctor or hospital. Parents or guardians will be notified by the Camp Director immediately of any serious illness or injury. If parents will not be at home while you are at camp, have them advise you how they can be contacted. The Camp Medical officer must clear all cases requiring outside medical care. This is an agreement with the local health service facilities, insurance company, and claims procedure. **Units are responsible for providing proof of insurance upon arrival at the Hospital or Doctor's Office.**

PRESCRIPTION MEDICATION DOSING FORM - REQUIRED

Utilizing the Prescription Medication Dosing Form, each unit should complete (prior to arrival at camp) a form for each unit member taking any prescription drugs. Use one form/sheet for each camper (make copies as necessary) with a prescription. The medication, dosage, and dosage schedule should be recorded directly from the prescription. Up to 6 prescriptions can be listed.

Each unit should be prepared to show these completed forms at check-in to the Camp Health Officer, and then keep them updated throughout your unit's week at camp as medications are used. We will ask that you leave these completed forms (a copy will do) at camp when you depart. We will maintain them safely in the permanent camp medical files.

All medication should be in a container issued by a pharmacist with the medication name and strength, the dose and dose frequency clearly marked on the container. Generally, all medication will be dispensed in the unit area by a responsible adult leader for the unit. **Medication should be kept under "lock and key" in a locked box issued by the camp.**

Medication requiring refrigeration or injection may be kept in either the Camp Health Lodge or at the unit campsite. This medication may be dispensed by the Camp Health Officer or the unit leader. It remains the responsibility of the unit leader to assure that the scout is present at all of the appropriate times to receive his medication.

Important Note: If an Annual Health and Medical Form indicates that an individual must have an inhaler, EpiPen® or similar medical device, the health officer must confirm that the individual has the required item(s) in their possession. If the items are not in possession of the camper or leader, they must either obtain the items indicated on the form or the individual will be required to leave camp.

Emergency Procedures

In any large-scale operation, there exists the possibility of "emergencies." This procedure is to help the staff and leaders perform efficiently in any emergency and keep everyone informed.

- In the event of a serious situation, the Camp Director or Council Leadership are the ONLY individuals authorized to release information.
- Do not allow rumors to start – they are not helpful.
- Keep Scouts under control
- In case of serious injuries, get names of witnesses, get all the facts and put it in writing immediately. Witnesses should NOT talk with anyone other than the proper authorities.

Emergency Alarm

Siren is located next to the Swimming Pool.

Alarm: Continuous sound of the siren.

Emergency Phone Numbers: Posted next to every phone in camp and on the information kiosks.

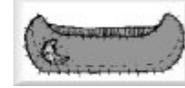

What to do in response to emergency alarm: Everyone will go to the dining hall. The staff will provide specific instructions to you as necessary

****Note: All units will be provided the most current emergency procedures on your arrival day.****

Flammability Warning

No tent material is completely fireproof. Tent material can burn when exposed to continued, intense heat or fire. The most important safeguard is to keep flames away from canvas materials. For this reason, the following safety precautions must be adhered to: Only flashlights and electric lanterns are permitted in tents. No flames in tents is a rule that must be enforced

GENERAL INFORMATION

CAMPSITE ACCOMODATIONS

All campers and leaders are housed in 12'x 16' BSA canvas wall tents. Tents are set on permanent wood platforms and each tent is equipped with four cots. In general, tents are arranged in groups of six with a pavilion and three tables.

Tentage: The camp provides one tent per every four leaders, adjusting for male/female mix. **Leaders should plan to share tents.** Leaders wishing to have their own tent should make arrangements to bring one from home.

DAMAGE TO CAMP EQUIPMENT

We are very proud of our camps, and of our equipment. If you or your Scouts damage any equipment issued to your unit, you will be expected to pay for damages.

Requests For Electricity

Electric power is provided in the Adventure Camp Campsites. Please note, we will not allow use of air conditioners, video gaming, microwaves, and other high-powered convenience items. They are designed for fans, electronics chargers, CPAP machines, etc. Bert Adams Scout Camp maintains there is not any obligation to provide power and upon determination and misuse/abuse will discontinue or limit usage.

Campsite and tent platform assignments will be made in a way that best accommodates the majority of the troops attending summer camp. It is possible that adults requesting electricity may be assigned to a tent in a different part of camp, away from their unit. Accommodations are not available in the cabins, staff residences or other camp facilities.

Communications

Effective and continuous communications between camp and unit leadership is essential. Communications begins with the Leader briefing on the first day and continues throughout the week with regular Leader meetings. It is the responsibility of each unit leader to make sure their unit is represented at each of these meetings.

Trading Post

Bert Adams hosts a fully stocked, air-conditioned Trading Post carrying uniform items, equipment, merit badge books, handicrafts and snack items. The Trading Post is located in the lower level of the Love Dining Hall.

OTHER IMPORTANT INFORMATION

Mail. Outgoing mail will be picked up each morning from the camp office. Incoming mail arrives in the afternoon and will be distributed each evening before dinner. Letters from home are one of the pleasures of life in camp. Be sure to let parents know that mail to campers should be addressed as follows:

Participant Name
Unit identification
Bert Adams Scout Camp
218 Scout Road
Covington, GA 30016

Valuables. Unfortunately, in the hustle and bustle of life in camp, losses may occur. Items such as radios, cellphones and I-pods should be left at home. The camp does not carry insurance to cover losses of personal items at camp, so each participant must take full responsibility for all items brought to camp. Please take precautions to guard your valuables while at camp. Here are some tips to help avoid losses:

- Advise participants to bring as few valuables as possible.
- Some units bring a locking trunk to camp to store all necessary valuables.
- Do not leave one or more participants at the campsite alone.
- Participants should not walk through another unit's campsite.

Leaving Camp. All participants and leaders must notify the camp director and must check in and out of camp at the Office whenever they leave or arrive during the camping week. All youth who are leaving camp must have the written or verifiable permission of both his unit leader and guardian, and be officially checked out using the camp's Early Release form and procedure.

Camperships

A volunteer Scouting committee reviews all requests for camperships to Scouting summer camps. An extremely limited number of camperships may be available to JROTC units, if selected by the committee. Campership forms can be found at <https://www.campbertadams.org/forms-bsa>.

ARRIVAL AND CHECK-IN PROCEDURES

Check-in will begin at 1:00pm on the first day (however, we ask that you not arrive prior to 12:45 p.m.). Please try to arrive at camp no later than 2:00 p.m., to provide adequate time for your youth to complete the afternoon activities.

When you arrive at camp, watch for a staff member on the main road into camp who will provide directions. One adult from each school should check at the Love Dining Hall in at the registration pavilion to verify attendees and alert us to any changes. Be prepared to leave your unit's health forms with us at this time. A member of our staff will assist in getting everyone their first day schedule and in getting them to their campsite and tent assignment.

When you arrive in your campsite, quickly unload and stow your gear. You'll have time later to set up your campsite. As you move gear into your campsite, your staff guide will help you check your site equipment. If there are any shortages of tents or cots, your guide will make arrangements with the Ranger to deliver any items needed. Of course, after unloading, all vehicles must be moved to the parking lot for the duration of the week.

After dropping your gear, all youth and adult campers should immediately prepare for their first scheduled activity. Your staff guide will orient you to the camp, provide an overview of camp emergency and other procedures, answer questions, and help you get to your afternoon scheduled activities.

Your designated "waiters" for the evening meal should report to the Dining Hall by 6:10 p.m. Then the entire camp will assemble at the Flag Plaza at 6:15 p.m. for the evening assembly and dinner. After dinner, we'll be off and running on the first evening's activities.

STUFF TO BRING TO CAMP

Units are assigned to campsites with canvas four-man tents on wooden platforms and canvas cots. Running water and a latrine facility are available in each campsite. The rest is up to you! Remember that you will be camping for five (5) days and four (4) nights. All items should be marked with the participant's last name. You can pack in a backpack, duffel bag, old suitcase, footlocker, or even a plastic "action-packer" that will store under your cot.

Sleeping Gear: Sleeping bag or Sheets and a Blanket, Pillow

Clothing: Any "uniform" designated by your unit, Short Sleeve Shirts, Shorts, Long Pants, Sweatshirt, sweater, or jacket, hiking boots or sturdy shoes, socks, underwear, swimsuit, hat, rain gear.

Other Essentials: Towels, Toiletries, personal first aid kit, Water Bottle, notebook, pen or pencil.

Additional items you may want: Flashlight, Sunscreen, Lip balm, Insect Repellent (no Aerosol cans), Watch, Compass, Camera, Sunglasses, Pocket knife, Water Shoes, Bicycle and Helmet, Reading Material.

Units may wish to bring propane lanterns, water jugs, or other amenities for use in the campsite. Unit leaders should specify "uniforming" standards for both casual and other times during the week's schedule. Camp t-shirts, specifically designed for the JROTC camp week are available for advance order, as described in the section on "fees." All youth and adult staffers will wear a camp t-shirt for each evening meal. If unit members will wear other casual t-shirts during the week, only t-shirts with appropriate messages can be worn. Caps or other headgear are also recommended. As with t-shirts, only caps with appropriate messages can be worn.

PROGRAM ACTIVITIES AT CAMP

Program activities during the JROTC camp week are designed to support each unit's need to achieve concrete learning and development objectives during their week at camp. While enhancing the program and goals of each unit, options are offered to assure real fun and adventure for each student.

Cadets will be assigned to squads for the week based on their activities. Squads will work together throughout the week, will participate in each scheduled activity as a team, and will move together from one activity to the next.

The Daily Schedule Structure:

Flag assemblies are scheduled at the beginning of the day, and before dinner. Meals are scheduled at 7:30 a.m., 1:15 p.m., and 6:30 p.m.

After dark. Camp-wide activities are scheduled each night at 9:00 p.m.

Platoon Commanders will meet each day after lunch for coordination on camp activities and protocols. Adult leaders are invited to join camp managers each afternoon at 5:45 p.m., preceding evening retreat.

Use of the Instructional Periods

Each squad's schedule will include opportunities to experience all camp has to offer including COPE and Climbing, Marksmanship, Military Topics, First Aid, Nature, and much more. Students will be assigned to squads for the week. Students will be assigned to available squad schedules by the BLT OIC commander.

2019 NJROTC WEEK GENERAL CAMP SCHEDULE

	THURSDAY	FRIDAY	SATURDAY	SUNDAY	MONDAY
5:30 AM		REVEILLE			
5:45 AM		PHYSICAL TRAINING
